

Herbert Walther Fellowship

Stipends for Postdocs:

The Max Planck Institute for the Science of Light offers stipends to outstanding international guest scientists in the wider field of optics and quantum optics. Suitable candidates must hold a PhD in one of the relevant disciplines in line with the research focus of the institute.

For your application you need to submit

- your curriculum vitae
- the list of your publications
- a research plan of up to 2 pages describing the state of the art, your project related prior work and the planned project (you need to specify the intended length of stay)
- a list of three potential referees

The stipend is tax-free under the conditions specified in §3, section 44 of the German Income Tax Act (EStG). The monthly payment range starts at 2.500 Euro. The scholarship is granted for a maximum of 2 years.

The stipend holder will send in a written report about the scientific results achieved during the research stay. The stipend holder is responsible for purchasing a health insurance.

The stipend contract will be issued by the Max Planck Institute for the Science of Light. All stipend regulations of the Max Planck Society apply.
